Local and Personal.

To Subscribers.
Statements of account amounting to many dollars have just been sent out to subscribers appearing to be delinquent upon our books. If any are erroneous, the error will be corrected upon notification; if they are correct they should be paid at once, as the subscription lists will be revised shortly, and all unpaid subscriptions canceled.

An X with red or blue pencil on paper or wrapper, will tell you of the fact; these amounts are small, but all together will help us wonderfully.

Locals are scarce this week.
Cool nights and warm days now.

Some of the gins in the country have shut down on account of low price of cotton.

Esquire White held court Wednesday; State vs. Sherman Horn. Prisoner discharged.

If Dekles notices are not changed this week it is because "Dug" is too busy to write more.

No Cure—No Pay.
That is the way all druggists sell Groves' Tasteless Chill Tonic for Chills and Malaria. It is simply iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating tonics. Price, 50c.

Mr. John Gilber came in Wednesday and carried out the piping to curb his 80 foot well.

Messrs. Boney Bros. shipped one tank of spirits of turpentine and three cars of rosin this week.

W. D. Williams, editor of the Westville Advertiser, came over Friday and spent some hours here.

Mr. John M. Garrett of Whitfield, Fla., is among the additions to our subscription list this week.

Mr. F. P. Davis, who recently came in from Brazil, Ind., has moved out to his place West of town.

Judge Carter is placing lumber on the ground preparatory to building a new and commodious dwelling.

Mr. and Mrs. Ed Minchen left Thursday evening for Campbellton; Mr. Minchen's mother being very sick.

DEKLE'S prices are in keeping with 5c cotton. It is well to keep these facts before you.

Just go and see Mrs. Loftin's new line of new goods; latest styles of hats, ribbons, etc., all cheap for cash.

Bellamy was called Wednesday evening to attend the daughter of Mr. E. Williams, who was quite sick.

Look at the little notice in this week's paper; look on your wrapper, or on the margin for the "X" mark and take heed.

Messrs. Ed. and George Everett, two prominent farmers of Orange Hill was in town Wednesday with big load of cotton.

When you want a Sewing Machine, get the best, The New Home, from DEKLE sold on installment plan, or cash.

Mr. L. E. Thompson of Pensacola came in Thursday; he is a very popular real estate man, and does a good business in this territory.

We are promised a large influx of Western farmers here this season. Let them come, we have thousands of fertile acres awaiting them.

Mr. C. Tharp was on the road two days this week with Col. Thornton, inspecting ties; he had on a large number for this month's inspection.

All trains are now from one to three hours late every day, and all mail from one to three days late; but, better that for the State than fever.

Messrs. J. R. and W. C. Alford, two prominent naval store men from South-east Georgia, are visiting Messrs. Boney Bros., and looking up turpentine locations.

We made an error last week in stating that Mrs. Bellamy and Farrior amputated the arm of Mr. DeLoach, near Graceville. It should have read Mrs. Bellamy and Flemming.

Mr. John Farrior had an old-fashioned coon hunt one night this week; he chased the coon 1 1/2 miles, treed him, climbed the tree, and caught him, we recon; anyway he got the coon.

Maj. Peabody, the hustling T.-U. & C. representative was with us Tuesday. He made his paper well known here; that was good, for it was one of the best. Success to it is always our wish.

Chipley has shipped to date 1475 bales of cotton. This does very well for a town that doesn't afford a cotton warehouse. If we had a warehouse to weigh and store cotton there would have been one-third more.

Maj. A. Lewis of DeFunak, was a visitor here last Monday night. The Major is enthusiastic over the tobacco question, and will make a success of it if anyone does. He is going to put in a large farm of it near Bonifay next season.

The up-to-date merchant will not depend on people finding out by chance that he has something to sell; he advertises, and does business to day, that the non-advertiser will be doing next year. If he ever does. Try it, printer's ink will tell; use it and be convinced.

It would be a good idea for the city council to devise some way to prohibit little boys from carrying matches about, striking and throwing them down any, and everywhere. Only a few days ago we witnessed such a thing by three little fellows, all with matches and cigarettes, striking and throwing down the lighted matches among old paper and rubbish, and within three feet of the back end of a house, too.

In speaking of the opening of circuit court at DeFunak, last week, the Breeze of that place says: "It is noted that this is the first term of court ever held in this county in which the custom of swearing witnesses and jurors on the bible has been omitted. The uplifted right hand answers every purpose, takes less time and is more cleanly. It is understood that the change was made in deference to Judge Maxwell's views on the subject."

Those who believe chronic diarrhoea to be incurable should read what Mr. P. E. Gresham, of Gains Mills, La., has to say on the subject, viz: "I have been a sufferer from chronic diarrhoea ever since the war and have tried all kinds of medicines for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." This medicine can always be depended upon for colic, cholera morbus, dysentery and Diarrhoea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by R. B. Bellamy and J. R. Farrior.

At her home at Sneads, Fla., on last Saturday evening, Mrs. Dr. P. B. Wilson, NEE Miss Lula Butler. Mrs. Wilson was young and accomplished, and a host of friends in Chipley, Sneads and Marianna, are deeply grieved over her death. She had been married only about four months. We tender our sympathy to the bereaved husband and relatives.

A REMARKABLE RUN.
The Passenger on the P. & A. division of the L. & N., made the fastest run last night ever made on that road; Engineer Barclay was at the throttle. The run from River Junction, 161 mls., was made in 4 hours and 15 minutes, with 21 stations and 4 draw bridges to slow up for. The train left the Junction 1 hour and 15 minutes late, and made up one hour of the time to this point. It was a star run.—Pensacola Star, Oct. 26.

QUARANTINE HAS BEEN EXTENDED TO DECEMBER 1.
The State Board of Health, through its executive officer, Dr. J. Y. Porter, has decided that the active quarantine season shall not terminate November 1st, as is usual, but taking advantage of the authority vested in it by the State laws, it has decreed that this active quarantine season shall continue till December 1. Its order and the reason therefor are contained in the following circular:

"To All Concerned: In view of the continued existence of yellow fever in the Southern States and the prevalence of infections and contagious epidemic disease in the West Indies, and especially in the Island of Cuba, the 'active quarantine season,' as specified by rule 56 of the rules and regulations of the State Board of Health of Florida, will not terminate on November 1, 1897.

"Under the laws of Florida, and by virtue of the said rules and regulations, the State Board of Health of Florida hereby orders that the said active quarantine season for this year shall extend to December 1, 1897.

"The interstate quarantine recently established will remain in full force and effect until otherwise ordered.

"JOSEPH Y. PORTER,
"State Health Officer of Florida."

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of influenza and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results, is putting it very mildly. Indeed, it acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—The Banner of Liberty, Libertytown, Maryland. The 25 and 50 cent sizes for sale by R. B. Bellamy and J. R. Farrior.
